FOCUS: SUPPLY CHAIN TRANSPARENCY

20th Sep 2019 | 9-18h | Wizemann Areal | Stuttgart

_ABOUT

The HACKDAY@SIS19 is a fast-track acceleration program for international impact-driven ventures, who are working in the field of supply chain transparency driving a more sustainable future. As a tech or business student you will join a mixed team with industry experts and help them with your own skillset tackeling their challenges.

_WHY

_ Get out of your bubble
_ Get new insights & working skills
_ Meet leading internatioal companies and decision makers
_ Work in an international startup athmosphere
_ Be part of the leading conference on social innovation and entrepreneurship in GER

_HOW

Apply until the 1st of September 2019 for the HACKDAY@SIS19 as a student.
Please note: There are only 10 seats available.

_MORE
